PROBLEM#37

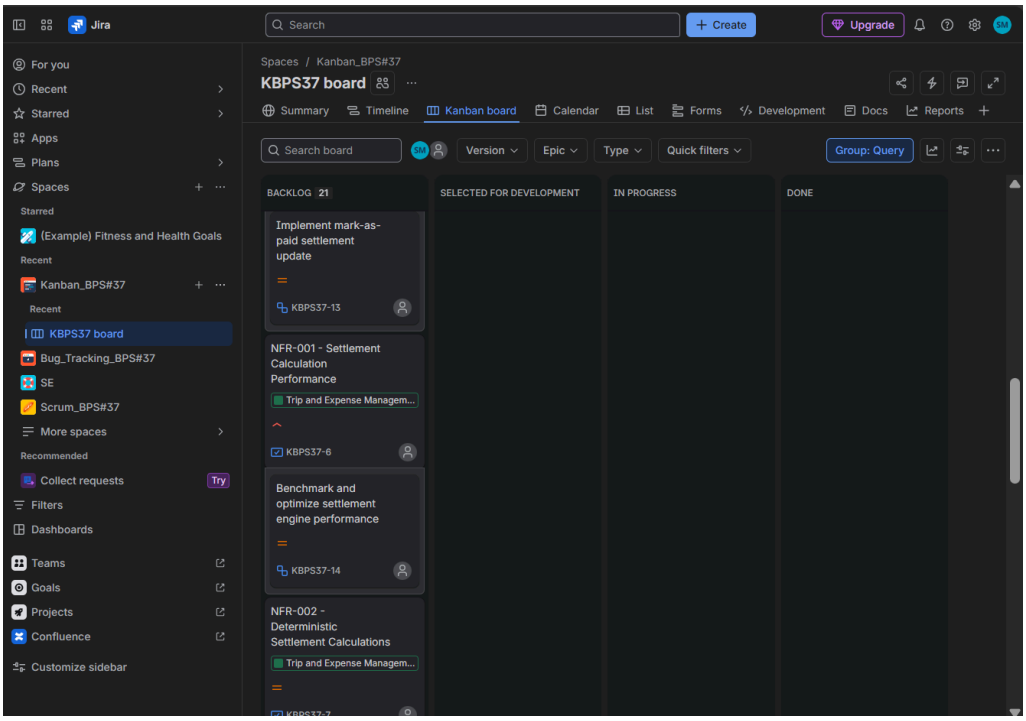

Kanban Project

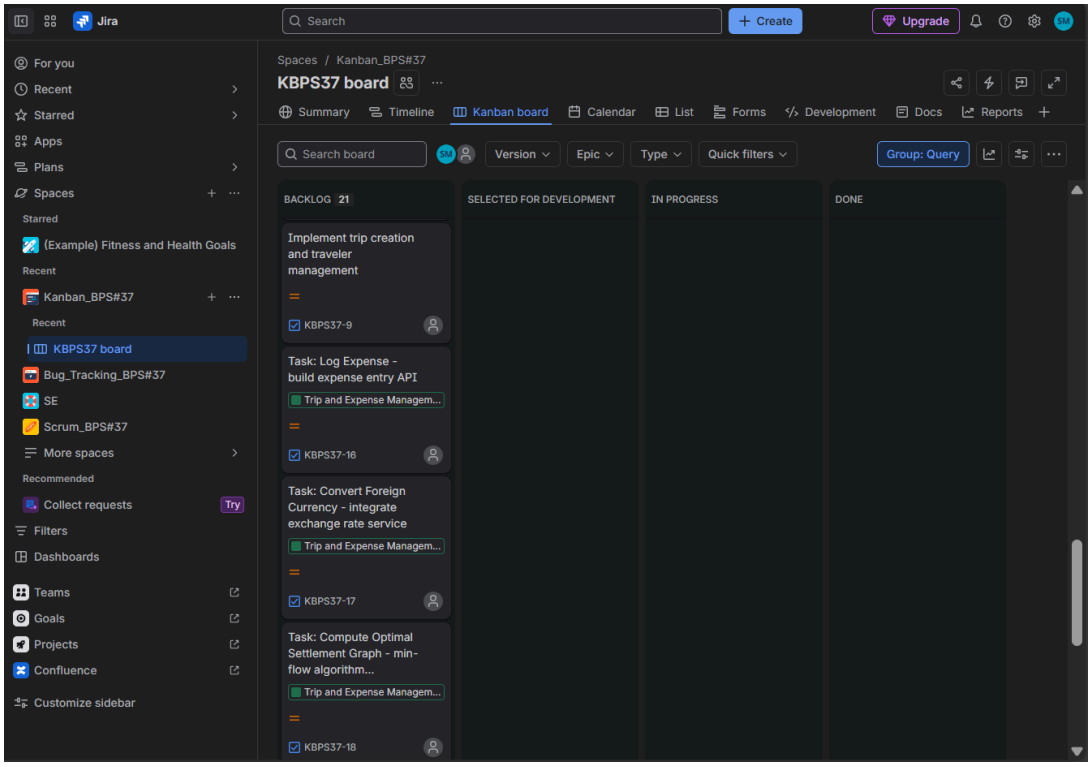

Board view — FR-001 and FR-002 (with sub-task) linked to the Trip and Expense Management epic.

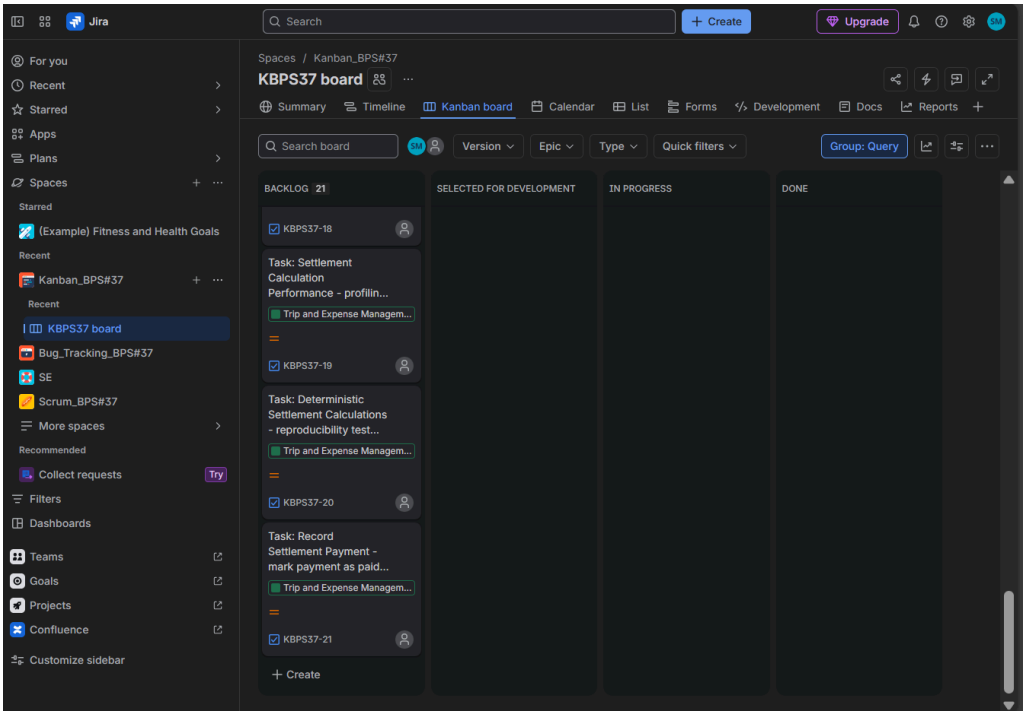

Board view — FR-004 and FR-005 with their sub-tasks, continuing the backlog.

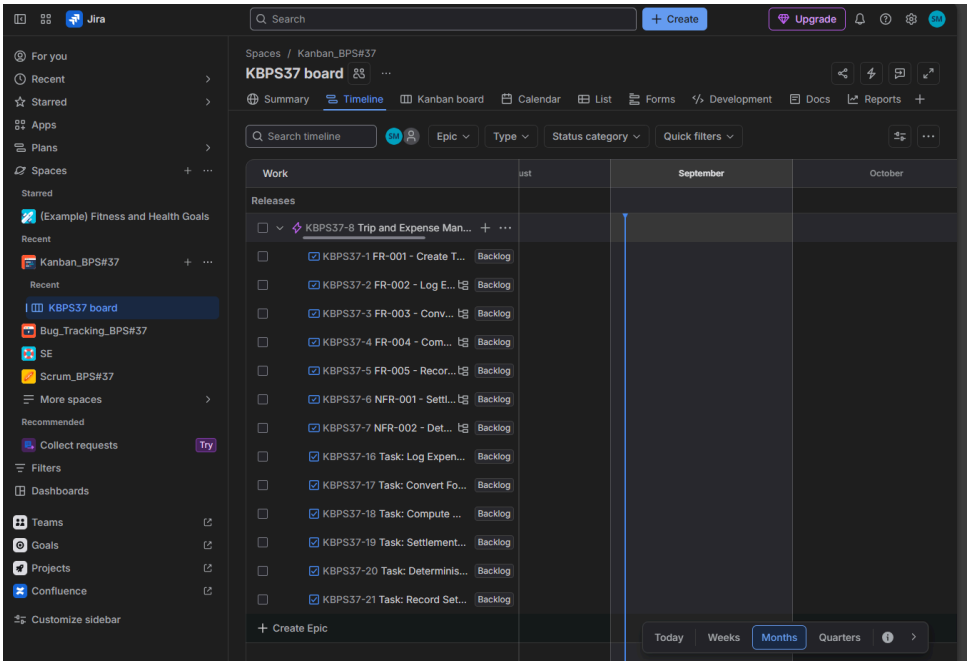

Board view — FR-005 sub-task, NFR-001 (with sub-task), and start of NFR-002, completing all 5 FRs and 2 NFRs.

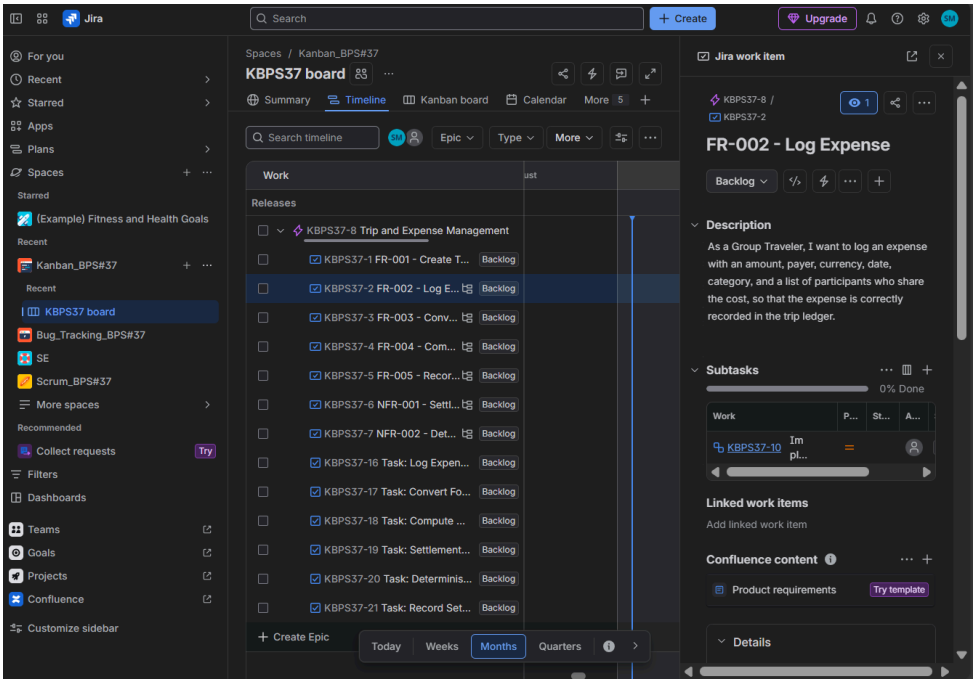

Board view — FR-001 sub-task and additional task cards (Log Expense, Convert Foreign Currency, Compute Optimal Settlement Graph).

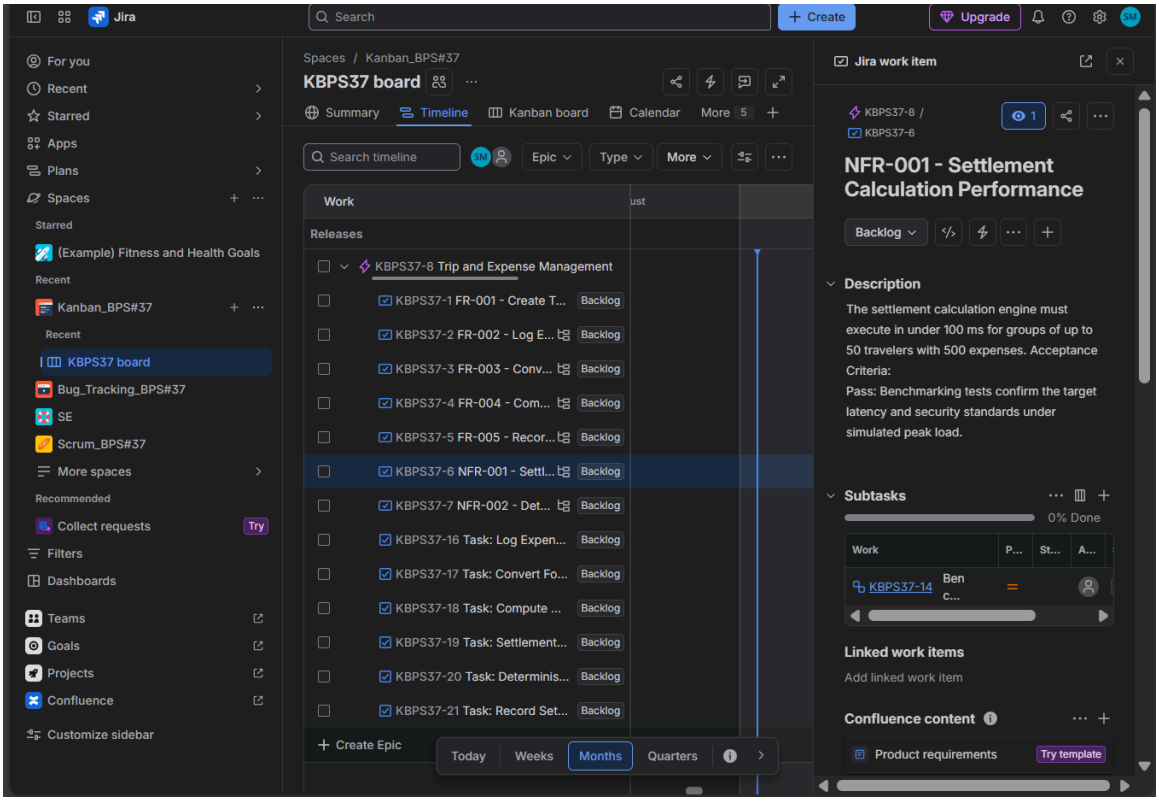

Board view — remaining task cards (Settlement Calculation Performance, Deterministic Settlement Calculations, Record Settlement Payment), completing the 21-item backlog.

Timeline view — Epic 'Trip and Expense Management' expanded, showing all 7 requirement stories and tasks linked under it.

FR-002 (Log Expense) story detail — description and linked sub-task for implementing the expense entry form.

NFR-001 (Settlement Calculation Performance) story detail — description, acceptance criteria, and linked benchmarking sub-task.
